The Student will be able to:

- Demonstrate use of strategies from previous levels
- Use a range of strategies to get meaning from text, eg. Self correct, read on, reread, slow down
- Use text features to support reading
  - Identify themes in stories
- Discuss aspects of story such as character, setting and plot and how they connect
- Extract information from informational passages by integrating using the text and visual supports
- Justify opinions by referring to text evidence
  - Discuss the author’s point of view
- Read Fluently, adjusting to text type
- Use their increasing knowledge of letter clusters, affixes and root and compound words to solve unknown words.
