Supply List

I am using the first grade class list, because it will provide you and your child the items we will need for a great year:

1 box of crayons
2 pink erasers
1 pencil box (no bags please)
1 wide-ruled spiral notebook (about 70 pages)
1 pair of primary scissors
1 old sock for wiping off small white boards

The following items will be shared with the class:
2 expo markers
2 packages of pencils (Ticonderoga or Dixon, if possible)
4 glue sticks
2 folders
1 package of baby wipes
1 box of Ziploc bags (Sandwich-Girls, Quart-Boys)
1 bottle of hand soap (Girls)
1 bottle of hand sanitizer (Boys)
2 boxes of Kleenex
1 roll of paper towels
1 package of stickers (1st and 2nd graders love them as rewards and on their papers)

Homework Help

Your children are in a self contained program because of their intellectual, social and behavioral challenges. Our purpose is to help them learn the skills they need to succeed and move out of my program. Yes, success means I get rid of them! Part of their success will come from helping them get accustomed to spending some time doing homework.

I hope you will take the 20 minutes your child needs to complete the limited homework I send home in their blue folder Monday through Thursday.
